

Save Smart DVD

Do you want to help adult learners acquire the math and literacy skills they need to plan their financial future?

With the **TV411 Save Smart DVD**, a free multimedia toolkit, adults can learn the basic reading and math skills behind saving and investing.

Produced by the creators of TV411, the Adult Literacy Media Alliance (ALMA), the **TV411 Save Smart DVD** offers an engaging video, print, and web-based curriculum that includes four units—Unit 1: Planning for Retirement; Unit 2: Tax-Deferred Saving and Investing for Retirement; Unit 3: Mutual Funds: The Ups & Downs, Ins & Outs; and Unit 4: Mutual Funds: Calculating the Cost. Each unit includes...

- **A video segment**, featuring TV411's math-minded Calculating Woman, that highlights key literacy and math concepts about saving and investing strategies in real-life, adult contexts;
- **A step-by-step teacher's guide** with discussion questions and classroom activities that extend and deepen the lessons introduced in the video;
- **Student handouts** that encourage learners to practice what they've learned; and
- **Links to interactive lessons** on the TV411 web site at www.tv411.org.
